

6160

The 6160 deluxe keypad is easy to install and simple to use. It takes the guesswork out of operating a security system. The attractive white console blends in with any decor and features a contoured, removable door that conceals illuminated soft-touch keys. The 6160 also has a new larger and brighter 32-character display with easy-to-read plain-English status messages.

Customized to meet your customer's needs

The oversized function keys of the 6160 keypad are easily accessed even when the keypad door is closed. They can be programmed for fire, burglary, personal emergencies, and other operations. Colored self-adhesive labels are included.

WITH DOOR ATTACHED
